

27 OCT 1959

Honorable Edgar W. Hiestand  
House of Representatives  
Washington 25, D.C.

Dear Mr. Hiestand:

STAT This is in regard to a letter dated 5 October 1959 from  
STAT [redacted] California returned herewith.  
In her letter, [redacted] indicates her concern over a  
clipping from the Los Angeles Times of 4 October which she  
enclosed.

The clipping deals primarily with the remarks attributed  
to Soviet Premier Khrushchev during his recent visit to  
Los Angeles. I regret that I am unable to provide any additional  
information on this matter. However, when our Director,  
Mr. Allen W. Dulles, was advised of the statements he  
reserved comment but said, laughingly, "Mr. Khrushchev  
is quite a propagandist, isn't he?"

STAT I am enclosing, however, another newspaper clipping  
concerning this exchange which you might find of interest.  
I hope this will be of some assistance to you in your reply  
to [redacted]

Sincerely,

SIGNED

John S. Warner  
Legislative Counsel
